Re: APPLICATION FOR PUBLIC HEARING

Alternate Unit Well
Upper Pettit Zone
U PET SUP
Driscoll Field, Bienville Parish, Louisiana

Dear Sir:

Application is hereby made on behalf of **ST. MARY LAND AND EXPLORATION COMPANY**, (Applicant), to the Commissioner of Conservation for a public hearing to consider evidence relative to the issuance of an Order pertaining to the following matters relating to the Upper Pettit Zone, Driscoll Field, Bienville Parish, Louisiana.

1. To permit the applicant to drill, designate and utilize horizontal well laterals, drilled from the St. Mary Land & Exploration Company – Weyerhaeuser No. 1 Well, as alternate unit well laterals for the production of gas and condensate from the Pettit Zone, in the unit designated U PET SUP, in exception to the spacing provisions of Office of Conservation Order No. 194-D, effective July 22, 1969, such unit and proposed horizontal laterals shown on the attached plat and made a part hereof.
2. That the spacing provisions for the proposed alternate horizontal well laterals to be drilled to the Upper Pettit Zone, in the unit designated U PET SUP, shall provide for: (a) that the penetration point and terminus of any lateral of the horizontal well should be located no closer than 330 feet from unit boundary; (b) that the average distance between the productive portions of any lateral and those unit boundaries which run generally parallel to the direction in which the laterals are drilled should not be less than 1,000 feet; (c) that the distance from any point along the productive portion of any lateral and those unit boundaries which run generally parallel to the direction in which the laterals are drilled should not be less than 660 feet, and; (d) that there be no well spacing limitations between wells other than that accomplished of the aforesated provisions.
3. To find that horizontal well laterals are needed on the U PET SUP to assists in draining a portion of the unit that cannot be drained by any other well located therein.
4. To permit the unit operator to produce the assigned unit allowable from the unit well, the alternate unit well or from a combination thereof at the discretion of the unit operator.

Honorable James H. Welsh,
Commissioner of Conservation
Driscoll Field
2

5. To permit the Applicant, St. Mary Land & Exploration Company, to operate and separately report the production from the proposed alternate unit well.
6. To consider and cover such other matters, as the Commissioner of Conservation may deem pertinent and appropriate.

The Pettit Zone in the Driscoll Field, Bienville Parish, Louisiana, was defined in Office of Conservation Order No. 194-D, effective July 22, 1969.
